

Complaints procedure

Gloucestershire Wildlife Trust (the Trust) is committed to ensuring that all of its activities are appropriate and responsible at all times. Despite this commitment sometimes things can go wrong. When this happens, we encourage individuals to inform us so that we can try and resolve the issue as early as possible.

We have a set procedure for dealing with complaints when they do arise to ensure that they are dealt with fairly and appropriately and that we learn from any mistakes that may have been made.

How to make a complaint – initial contact

- You can telephone us on 01452 383 333.
 - Our phone lines are open Monday to Friday from 9.00am to 5.00pm. Outside of these hours you can leave a message, an email contact and a phone number and someone will return your call either by email or by phone.
- You can email us at info@gloucestershirowildlifetrust.co.uk
- You can write to us at:
Gloucestershire Wildlife Trust

Once we have received your complaint, we will follow the procedure set out below.

First stage

When you contact us to make a complaint, we will make a written record. We will try and resolve your complaint informally within five days and will inform you of what action we intend to take to resolve the problem or ensure that it does not happen again.

Second stage

If we cannot satisfactorily respond to your complaint informally, we will ask you to put your complaint in writing, giving full details, unless you have already done so. This will enable us to ensure that we have recorded your complaint accurately. Once we have received your written complaint, we will undertake an investigation.

We will give you a written notification of the outcome of the investigation within 14 days. If for any reason it appears that the investigation will take longer, we will notify you of the delay and our expected timescale for responding to you.

We may need to contact you for further information. You will be notified in writing of the outcome of the investigation and what action we propose to take.

Third stage

If you are not satisfied with the outcome, you should contact us again, asking for the complaint to be referred to the Chief Executive and outlining why you felt that your complaint has not been resolved appropriately and specifying what action would be acceptable to you. We will refer your complaint to the Chief Executive and then notify you in writing of the outcome of their investigation and what further action we propose to take to resolve the matter.
