

# How to watch moths

wildlife  
watch

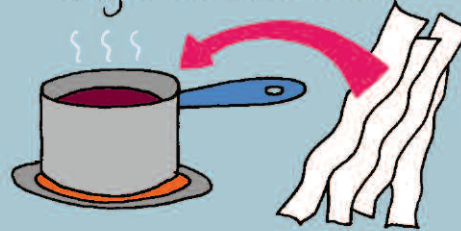

## Wine Ropes

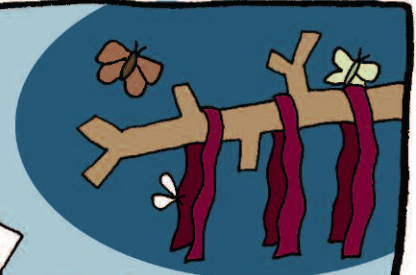

### What you need:

- bottle of cheap red wine 
- 1kg sugar
- saucepan 
- some one metre lengths of cloth
- an adult to help

- 1 Mix wine and sugar together... heat until sugar is dissolved.

- 2 Soak lengths of cloth in the cooled liquid.

- 3 Hang the strips over tree branches.
- 4 Leave for two hours and check after dark.
